Kruger National Park

Where nearly 2 million hectares of unrivalled diversity of life forms fuses with historical and archaeological sights – this is real Africa. The world-renowned Kruger National Park offers a wildlife experience that ranks with the best in Africa. Established in 1898 to protect the wildlife of the South African Lowveld, this national park of nearly 2 million hectares, SANParks - Kruger National Park is unrivalled in the diversity of its life forms and a world leader in advanced environmental management techniques and policies.

Truly the flagship of the South African national parks, the Kruger is home to an impressive number of species: 336 trees, 49 fish, 34 amphibians, 114 reptiles, 507 birds and 147 mammals. Man's interaction with the Lowveld environment over many centuries - from bushman rock paintings to majestic archaeological sites like Masorini and Thulamela - is very evident in the Kruger National Park. These treasures represent the cultures, persons and events that played a role in the history of the Kruger National Park and are conserved along with the park's natural assets.

Accommodation under the stars

Sleeping in a deluxe tent will afford you a luxurious and complete 'Out of Africa' experience. Absolute privacy, safety and peace of mind blend in with the environment in a symphony of relaxation.

A morning coffee station and evening fireplace is available and the camp is fully serviced.

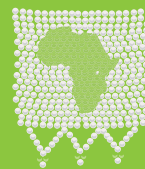

The 6.5m x 3.5m rectangular waterproof canvas tent includes 4 large viewing windows, maximum air movement and mosquito protection. The tents have a large, user-friendly zipped door and a ceiling height of 2.6m which ensures maximum comfort and convenience.

Every tent is set up on top of a large groundsheet with two canvas director chairs at the entrance and two paraffin storm lanterns on stands at each tent.

Tents are furnished with two beds, comfortable mattresses, duvets, fitted sheets, pillows, towels, hot water bottles, a rechargeable electric lantern, carpet, waste paper basket, umbrellas and a bedside table.

Outside the canvas roof stretches across the doorway to serve as a porch across the entrance. The entire camp, pathways and communal areas are lit at night with paraffin storm lanterns that create a warm ambience while retaining the simplicity of an African night in the bush.

Cuisine Dining and Bar

What would an African Tented Camp be without the customary traditional welcome drinks, colonial Gin and Tonics and home brewed mampoer?

The Bar, which is located in one of the large framed canvas tents, is stocked with ice and a predetermined requirement list as detailed by our client.

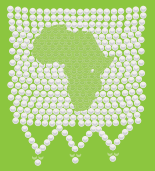

Beer, Spirits, mixes, cold drinks and fabulous South African wine are all available on request along with a recommended selection of more traditional alternatives which add to the flavour of the camp.

Meals are interactive affairs either under the stars around the fire or inside large canvas framed tents which are set in a Ushape around the fire area.

Elaborate decor and delicious plated cuisine make every dining experience one to remember. Menus are created for each camp in conjunction with our client thereby tailoring each meal time according to the time of year, location and individual tastes.

Traditional hot English breakfasts are served in contrast to an array of Impala, Warthog and an assortment of succulent meat dishes in the evening.

Toilets, Baths and Showers

Deluxe units are en suite ensuring absolute privacy.

Sanitized and flushable cubicles complete with large mirror, night light, liquid hand soap, green eco-friendly biodegradable soaps and shampoos. Hand basin, toilet roll and paper towel dispensers, are the mobile sanitation solution of choice for Chiefs Tented Camp.

A large, private, spacious cubicle at the back of the deluxe tent is fully decked with a wooden floor, and is fed by a hot water system into canvas shower buckets complete with brass taps, which makes showering one of the most exhilarating experiences.

Probably the most unusual experience however is the careful positioning of the Ball and Claw baths which can be used as unique extras for VIP tents or for open booking amongst the guests.

Football World Cup pool matches
