BLACK, WHITE and READ ALL OVER

CSI planned a Welcome Reception for 1300 guests at the Newseum. The night was focusing on a Black, White and READ All Over theme. Dcor consisted of black and red draped tables. By using the past tense READ, CSI was able to incorporate a recycling theme using old newspapers to create custom centerpieces and custom lit bars.

Jazz singer, Erin Bode performed throughout the night in The Great Hall of News. In the auditorium, Capitol Steps kept guests entertained, performing three shows for the duration of the Welcome Reception while serving exotically flavored popcorn enhanced the show experience for guests.
