The City that never sleeps...

Tel Aviv will be your base to discover the enormous wonders of this tiny country. This Metropolitan City boasts the best beaches in the world, excellent restaurants and a swinging nightlife.

During the day your tours will take you to the **Dead Sea**, the lowest point on earth, the siege of **Massada** and **the timeless wonders of Jerusalem**. An awakening of your senses and an endless experience.

Eilat's Dolphins

“Meet the friend of your dreams” - the dolphin. The **Dolphin Reef** is a **unique site** where dolphins coexist with humans. An expanse of open sea is the dolphin's domain and you are invited to observe them at their best

and swim and dive in their midst. During training sessions they will freely approach swimmers. Enjoy the Dolphin Reef's private **beach**, **an oasis of sea, sun and fun**.

A City of Gold.

Your **walking tour** will take you through the cobblestone streets of the ancient city where you will discover the icons of Jerusalem: The

Western Wall, a surviving relic of the magnificent Temple built by Herod. Follow the different stations of the **Via Dolorosa** to the **Church of the Holy Sepulchre**, the holiest Christian site in Jerusalem. The **Citadel**, which is located on the highest point in the Old City, allows a most impressive view of the Old and New City. The Citadel houses the **Museum of the History of Jerusalem** with multimedia exhibits depicting the history of the city in the First and Second Temple eras, the Muslim and Crusader periods as well as the Ottoman age. Following lunch in a typical Middle Eastern restaurant, you will drive to **Bethlehem**, the birthplace of Jesus Christ. The major site in Bethlehem is the **Church of the Nativity**, built by Constantine the Great, over the cave where, according to tradition, Jesus was born.
