Traditional Serbian welcome

Check-in at Hotel Saint Ten 5*

Located in the heart of Vračar SAINT TEN Hotel embraces the cultural heritage and charm of the old building that is shown on the façade and it represents a perfect blend of a modern and traditional charm. Hotel design and its concept are reflected in devotion to impeccable details presented in every corner of the hotel.

Welcome to Belgrade

Belgrade is the capital of Serbia, and has a population of about 2 million. A city on two rivers, Sava and the majestic Danube, dominated by ancient Belgrade's fortress, is proud of its vibrant atmosphere.

Kalemegdan – Belgrade Fortress

Belgrade Fortress is the core and the oldest section of the urban area of Belgrade and for centuries the city population was concentrated only within the walls of the fortress. The history of the fortress equals the history of Belgrade itself as the city was founded in the 3rd century BC as Singidunum by the Celtic tribes.

Republic Square and Knez Mihailova Street

City quest

Explore the most famous sights of the Serbian capital. Participants are divided into teams and must find different objects or meet different people on their journey.

Rakia Experience

If you want to find out more about culinary history and habits of Belgraders, you have to taste authentic food and national drinks, in this case Rakia. Moreover, by participating in an interesting tour that includes visit to Rakia Bar and tasting several different rakias, you will experience special charm and bohemian spirit of the city. While having your first Rakia together with finger food (protection against drunkenness), you will find out more about this "enchanted" drink - its history, how to taste it properly, how to recognize its quality and many more.

Dinner at Skadarlija, Bohemian Quarter

Skadarlija a vintage street, it is located in the Belgrade municipality of Old town and generally considered the main bohemian quarter of Belgrade, similar to Paris' Montmartre.

Tambura band performance during the dinner

The tambura is the basic instrument for traditional folk music. Considering the fact that tambura evolved for many years in this region, it has mostly been woven into traditional and folk music, and used to perform traditional music from this region.

Day 2 - Four wheels, escape room and cocktails

Option 1 - Discover Belgrade with Yugo cars

Explore the leftovers of Yugoslavia in a car named after it: The Yugo! Feel, smell and hear the history of what once was the booming capital of Yugoslavia.

Option 2 - Formula Experience

If the car feels like it is on rails, you are probably driving to slow.

Ross Bentley

Lunch at Restaurant Mala Fabrika Ukusa

Restaurant Mala Fabrika Ukusa is a family restaurant located in a quiet corner of Belgrade, Neimar. Warm, pleasant and comfortable refuge from the hectic rhythm of city life, a place to take a break and taste snack when you're just eager for the concept of the Serbian tradition enriched with modern touch.

Escape room -TESLA'S GENIUS MIND

Go deep inside Nikola Tesla's mind and get lost in the genius and amazing world he built! The Serb we are most proud of, the scientist who gave the world alternating current, radio, x-rays, remote control and much more! Tesla is daring you and challenging your genius – “You can enter my mind, but you can never leave!” Well, can you?! Check out why players say it's the master piece of escape games.

Cocktail experience at Riddle Bar

Dinner at Kalemegdanska terasa

Kalemegdanska terasa, a restaurant with tradition and an oasis of hedonism in the historical core of Belgrade – The Kalemegdan fortress, is a perfect blend of modern and traditional impressions for all senses.

Day 3 – Kayaking and Skydiving

Option 1 - Kayaks & Canoes

Discover the city from its rivers, the Sava and the Danube. We paddle quietly in a canoe or kayak, and we offer a unique perspective on the Serbian capital, Belgrade Fortress and its banks.

Option 2- Boat cruising with DJ

Lunch at Carda Stara Koliba

A floating restaurant Carda Stara Koliba is one of the most famous dining places in Belgrade. Traditional dishes with a modern touch are cooked in the open kitchen. “Stara Koliba” is a perfect choice for dining. Fish restaurant is built in wood and is anchored at an ideal place for a riverboat restaurant, at confluence of Sava and Danube rivers.

Tandem parachuting

Dinner at FARO

The concept of small plates gives you a chance to taste different flavors and share the joy with beloved ones. That is the best way to take pleasure in the delicious bites and experience the Mediterranean spirit of giving and unity.

Party Night at „Gajba“ Club

Day 4 - Experience Vojvodina

Sremski Karlovci

Sremski Karlovci The baroque city of Sremski Karlovci has been the spiritual, cultural and educational center of Serbia for over 200 years. The baroque style buildings surrounding the fountain in the town center are of immense importance to Serbian history and culture

The Museum of Beekeeping and Wine Cellar Zivanovic

The vineyards are at the same place where they were couple of centuries ago. It is situated on the slopes of Fruska Gora near the Danube, 200 meters above sea level. A recipe for famous Bermet is very old. In Karlovci, it was kept as the greatest secret in a family, which was handed down from generation to generation. Bermet was served at Russian, English and Vienna Court. Moreover, it was being exported to America, namely, New York from 1930's.

Petrovaradin Fortress

Petrovaradin Fortress is an 18th century fortress located on the right bank of the Danube river in Novi Sad, Exceptional work of the fortification engineering, is one of the largest, most complex and best preserved artillery bastions in this part of Europe.

Novi Sad

Novi Sad is the second largest city in modern-day Serbia. The city hosts several interesting museums and art galleries. Nevertheless, its more important monumental complex is the Fortress of the Petrovaradin in the right bank of the Danube. The first findings on the fortress in their present site date from the Roman times.
