SRI LANKA - AN INCENTIVE FOR REAL PERFORMERS

Sri Lanka is fast becoming one of Asia's most sought-after MICE destinations. Its perfect geographic location makes it an ideal meeting point for delegates from any part of the world for Meetings, Incentives, Conventions and Exhibitions (MICE). Convention facilities in hotels and convention centres in Colombo and other resorts are truly world class.

Colombo, the capital of Sri Lanka has a long history as a port on ancient east-west trade routes, ruled successively by the Portuguese, Dutch and British. This diverse colonial heritage is reflected in the city's architecture and cultural lifestyle. The city is a vibrant mix of old and new, with a central cluster of high-rise office blocks and hotels overshadowing red-tiled colonial-era buildings and sprawling street markets which overflow with high-piled fruit and vegetables, colourful silks and cottons, and deliciously fragrant spices.

Colombo is the perfect gateway to explore Sri Lanka!
