

EXPERIENCE THE OKTOBERFEST IN MUNICH

The Munich Oktoberfest, the largest folk festival in the world, has its origin in the wedding ceremonies of crown prince Ludwig – later King Ludwig I. of Bavaria – with Princess Therese of Sachsen-Hildburghausen in the year of 1810. In 2014, the Oktoberfest will be celebrated for the 181st time.

The Lord Mayor of Munich opens the Oktoberfest at noon on Saturday after the traditional horse-carriage parade, on September 20th 2014, by tapping the first barrel of beer and making the traditional announcement “O’zapft is” (“It has been tapped”).

Munich expects over 6.6 Million visitors throughout the two week celebration (**September 20th until October 5th, 2014**).

We at Weichlein Tours + Incentives can offer availability at some of the largest tents and offer attractive packages including tent reservation, accommodation and guided assistance for the Oktoberfest (we only offer tent reservations in combination with other services).
