

HVAR

3 nights incentive

An inexhaustible treasure chest of sights and adventures, Hvar is one of Croatia's most popular islands and definitely the hippest! Enjoying a St Tropez like allure as an exuberant celebrity playground, it retains an enticing cultural and historical heritage, wonderfully scenic natural setting and welcoming sundrenched Mediterranean climate.

Day One:

Arrival at Split Airport and transfer to a fortified mill for welcome aperitifs and snacks while being serenaded by Dalmatian musicians. Transfer by boat to the magnificent island of Hvar arriving directly into the magnificent marbled port of its Old City. From there amble along medieval cobbled streets to the hotel of choice.

Informal welcome dinner in the relaxed ambience of local restaurant.

Day Two: Pakleni Islands

After a short safety briefing and instruction, depart for a self drive adventure by pasara boats to the pine called Pakleni Islands. Stop for a refreshing swim in the azure Adriatic waters at one of the countless coves which dot the rugged coastline or simply go local and try your hand at the "picigin" ball game.

Immerse your taste buds in the mouthwatering foods of the region with a tasty organic lunch in Palmizana's restaurant. Continue to Stipanska Island and relax with sunset cocktails at a vibrant beach lounge. Back on Hvar Island, enjoy the slow food creations at traditional restaurant before upping the tempo with an after dinner party in the tented canopy of the exclusive club.

Day Three: Island life

Escape the glitz of Hvar and spend the day exploring the inner island. Peppered with historic villages, old stone houses and olive groves, the contrast is rich and appealing. Visit the wine cellar of renowned producer and taste the creations. Breathe in the aroma of lush lavender fields and purchase some souvenir lavender oils. Savor a traditional „peka“ lunch of lamb and veal prepared under the iron bell! Later that evening dinner in the famed restaurant with panoramic views over Amfora Bay is a ritzy affair, a glamorous precursor to the chic after dinner party at the cosmopolitan club.

Day Four:

Transfer to Split for quick city tour ending at impressive city square with refreshments. Leisure time before the airport transfer.
