SEVILLANAS WORKSHOP

The Sevillanas Dancing is an **enjoyable cultural activity** in which participants will learn the steps of this popular Andalusian dance.

It is a **very enjoyable** activity which both men and women enjoy, and which adapts to any profile and condition.

1.AUTHENTIC SPANISH CULTURE: Flamenco Team Building is an activity that immerses you in the culture and folklore of the destination. Interactive, enjoyable, competitive immersion. An experience for learning and having fun.

2.ONLINE: Take the activity where you need it. Your home, your office, your garden,... with a computer, mobile or tablet, you will have access to this fun activity.

3.SPECIALIST DANCERS: Our dancers are specialists in the Flamenco Challenges and have extensive experience in corporate events.

SEVILLANAS WORKSHOP

In an initial briefing, participants will receive instructions on the activity.

Participants will have to follow the expert's instructions to correctly learn each step of this popular dance.

At the end of the learning stage, attendees will witness an authentic show with the Sevillanas dancers.
